To Whom it may concern,

One In Christ Marriage currently serves the Archdiocese of Indianapolis and the Diocese of Lafayette, Indiana, as a marriage preparation ministry for couples. During our multi-day workshops, we have been entrusted to teach couples about the beauty, challenges, and graces that come through a well-lived sacramental marriage. Over the past 12 years, we have trained over 1000 couples.

We are deeply aware of couples' obstacles in seeking to live out a Christ-centered marriage in a selfish and misguided society. In particular, we endeavor to move the hearts of couples by sharing the fullness of the truth about God's plan for married life. Our two pillars are 1) The Truth and 2) the Relationship. We present the truth of the Catholic Church's teachings on marriage and family using source documents and attractive media. Yet, the engaging, honest, and compassionate presenters make that truth attainable and palatable. Building a relationship of truth and trust is pivotal to our success, as evidenced by couples rating our workshops with consistently excellent Net Promoter Scores.

Family Conquest employs this same methodology of using engaging media and compassionate presenters (children's own parents) to convey God's eternal truths. The parent-child relationship is the best place to encounter the truth. For that reason, we collaborate with Family Conquest and highly recommend the program to all the couples we have served in the past and will serve in the future. The faithful and vibrant marriages we strive to build must be nourished by ongoing family faith experiences in the heart of the home, which is where Family Conquest shines at helping parents to lovingly herald the truth to their children.

We encourage all parents to fulfill their crucial responsibility to diligently teach their kids the Faith at home using Family Conquest's easy, engaging, and effective faith-building program.

Sincerely,

Mark A. Overholt
